- Countries of operation:
- Project/ topic working on:
- If public entity, then funded by:

B. Please provide a brief explanation about the CDRFI project which you require support for in scope of the advisory facility?

C. What level of experience do you have on the topic of gender-lens investing and grant making (Please tick all that apply and specify further details, if possible)

- We know that gender -lens investing and grant making is important but have no or limited experience integrating gender considerations into financing decisions.
- We have some experience integrating gender considerations into investing and grant making (Please specify).
- We have already developed an institutional gender-lens investing and grant making policy or approach (Please specify).
- We have human resources dedicated to gender-lens investing and/or grant making.

D. What is your motivation and rationale for seeking support through the InsuResilience Centre of Excellence (CoE) for Gender-smart Solutions Technical Advisory Facility?

E. Which challenges do you expect to address through the technical support provided by InsuResilience?

Do you have any topic areas you would like to receive advisory support on to enhance your approach to integrating gender considerations into CDRFI related investments and grant making? E.g. building the business case to secure internal buy-in for applying a gender-lens in CDRFI investments and grant allocation; identifying material gender risks and opportunities for CDRFI -related investments and grants; reviewing the gender-lens investing and grant making process to integrate gender considerations across the deal origination and sourcing and due diligence process; guidance on gender and CDRFI capacity building of investees and

grantees; guidance on providing technical support on gender to grantees and investees; and guidance on strengthening the gender diversity of the investment committee and teams.

F. What results and policy and/or institutional impact do you expect to achieve as a result of the CoE Advisory Support Package?

G. Are there other resources allocated to support gender-lens investing and grant making in CDRFI solutions?

- *To what extent is staff available to support the process?*
 - Low
 - High
 - Medium
- *To what extent is budget available to support the process?*
 - None
 - Already planned a certain amount for the process – please specify if possible:

H. What experience do you have working in partnerships with international and/or local organizations including standards setting organizations?

I. Has your organization received any awards for its work (please specify if applicable)?

J. Can you provide a reference from a partner organization?

Please return the completed application form to secretariat@insuresilience.org with the following subject line: Technical Advisory Facility – third window.

The closing date for applications is 15 September 2023, 23:59 CEST.

Please provide evidence of your organizational registration in a separate attachment

For additional information on the advisory services and the application procedure, please contact Ines Perez Martinez: ines.perezmartinez@giz.de
